Join us for tea, biscuits and an informal discussion on the way forward.

For further details and full agenda please contact Eddie eddiejones1952@hotmail.com

A further date for your diary...

On 28th June we will be going for a [short walk and a picnic](#) in Hopwas Woods together with [Lichfield Greens](#). Please bring food to share.

Meet 12 noon at the entrance to Hopwas Woods- on the A51, across from the large layby / parking area.

From the Tamworth direction, it's about a mile further on from the Tame Otter and Red Lion pubs.

Call Lisa for directions 01827 68383 mobile: 07984 165799

This Saturday some of us are heading off to London to join the national demonstration against austerity called by the [Peoples Assembly](#). It promises to be a huge show of opposition and defiance to the government's policy of trying to make ordinary people pay for their economic mess.

If you are also going, and want to get in contact on the day, you can text or call Rob on 07765476372. Otherwise look for the Tamworth Green Party banner in the Green Party section of the march.

With a bit of luck we'll make the evening news! Full report in the next newsletter.

Our recent public petition against government plans to bring back fox-hunting, went down extremely well in Tamworth town centre! We actually had people queuing up to sign and bringing family and friends to our stall in Middle Entry. This proves that public opinion is still solidly in favour of the ban on hunting remaining and we will continue to raise public awareness of the issue.

You can view and sign our petition [here](#)

If you have any ideas for inclusion in future editions of this newsletter, please do not hesitate to get in touch!
