Tamworth Green Party News

Tamworth Greens

For a better, greener Tamworth!

Dear Friend,

Over the past year and, in particular in the run-up to the General Election, the Green Party nationally saw a quite amazing increase in its membership- nearly tripling in size until it now stands at 66,000 members in England and Wales. That's bigger than both UKIP and the Lib-Dems!

Clearly our bold and principled alternative to the grey politics of the other parties, struck a chord with many people!

Tamworth, of course, was not immune to this "Green Surge" and we are very pleased to be able to extend a warm welcome to our new members and supporters.

After the election

Details of our local candidates can be found on our [website](#).

[Nicola](#), our candidate in the General Election gained a total of 1110 votes- not bad considering the main parties could out-spend us hundreds of times over. Do check out Nicola's letter in the current issue of the Tamworth Herald.

Our six local candidates all scored around 5% in their respective areas. This was a collective effort of which we can be proud.

Overall, we have a solid basis on which to build- we certainly don't intend to shut up shop and go into hibernation for another 5 years! Whether it be petitioning in support of the NHS, leafleting against HS2 or opposing any attempt to bring back foxhunting, where we are vocal and active we will win support.

With this in mind, Tamworth Green Party is holding an [open meeting](#) for members and friends on Wednesday 24th June. 7.30pm Glascote Meeting Room, corner of Glascote Road and Dumolos Lane, B77 2AU.

Please join us for tea, biscuits and an informal discussion on the way forward.

The number 7 bus stops just a few yards down the road and there's car parking in Dumolos Lane. Contact us if you would like a lift.
